GOLD ZONE IS SHOWING SOME SPLENDID ORE

Good progress in the line of development was reported for the last week at the property of the Gold Zone Divide Mining company, and the showing is considered very good. Operations are still being confined to the 500 level, where the west intermediate drift is being advanced. It is expected that the heading will shortly enter a body of ore of commercial value, although small streaks are now in evidence. In raise 512 good headway was made, but there has been no material change to report in conditions generally.

The Gold Zone will in all probability be entered among the list of shippers during the coming summer. Development has been curtailed to a certain extent for some time, but the scope of operations will probably be broadened within the near future.

For Rent and For Sale signs at the Bonanza office.

ANNUAL REPORT OF NYE COUNTY IS PUBLISHED

The annual report of the financial transactions of the county of Nye for the year ending December 31, 1921, has just been issued from the Bonanza Press. This report, prepared by Mrs. Lida Gilbert, the efficient county auditor and recorder, is most comprehensive, yet condensed in such a manner that it is easily digested.

The report shows that the general receipts of the county totaled \$441,750.66, which included taxes, penalties and publications, licenses, fees, fines, costs, state school money and miscellaneous collections. With the beginning of the year there was cash on hand amounting to \$153,206.38, making the total accumulation \$595,957.04.

In the list of general disbursements the total was \$432,755.71, which included state, county, town, school and school bonds, leaving a cash balance on hand January 1, 1922, of \$163,201.33.

In case the county the following sums to conduct the various offices: Clerk and treasurer, \$97,022.24; recorder and auditor, \$90,853.57; sheriff and coroner, \$19,223.17; commissioners, \$25,833.33; district attorney, \$7,242.67; district court, \$9,052.75; justice courts, \$57,480.47; constables, \$4,663.60; county jail, \$19,574.25; county jail, \$1,636.95. The miscellaneous expenses increased the total to \$149,732.78.

The total expenses incurred in conducting the business affairs of Tonopah for the year amounted to \$452,215.25. There was a total balance in the various school funds of \$23,727.55.

NEW STATION IS BEING CUT IN BIG DIVIDE

The shaft at the Tonopah Divide mine in the Divide district has now attained a depth of 1200 feet and a station is now being cut preparatory to again starting sinking. The 1200 point was reached this week, since which time the station has been cut to the south for a distance of 105 feet.

The official report of development which covers the week ending Wednesday, January 25, shows that one of the most aggressive campaigns of mine construction in the district is in progress, and while the footage probably does not equal that of a number of other big mines in Tonopah, it is nevertheless a fact that a foundation is now being laid which will result in the Tonopah Divide being entered among the list of the heaviest producers in southern Nevada in due course of time.

The physical condition of the mine is being strengthened through development that is going forward on the 200 and 1000 levels, and the ore showing is all that could be expected. The report of work carried forward during the week was as follows:

West drift 30 extended 28 feet; 1001 drift advanced 17.4 feet; 207 raise carried 24 feet; 1025 north crosscut driven 9.5 feet; 1300 station cut to south 10.5 feet; shaft sinking 17 feet. This made a total footage of 106.4 feet for the seven-day period.

PERSONAL

E. P. JOHNSON, of Blair Junction, is here on business.
L. D. TOWNSEND, superintendent of the reduction plant of the Western Chemical company, Inc., is a visitor to Tonopah from Alum.

L. L. PATRICK, well-known mining man of Goldfield, is a visitor in town today.

R. M. WATKINS is here from Burasilver looking after business interests.

ALLEN RIVES, well-known mining man, left yesterday by auto for Hawthorne.

B. M. DAVIS, interested in mining at Hornsilver, is a visitor to Tonopah. He reports much activity in that district.

HARDING WILL ASSIST NEEDY SECURE WORK

(By Associated Press)
WASHINGTON, D. C., Jan. 28.—At the war, navy, agriculture, interior and commerce departments in providing work for unemployed men, Harding today in a letter to the heads of the departments.

The executive suggested that in these departments there might be a lack of cooperation work which could be undertaken when the "most difficult period of the winter is still before us," rather than later in the year. "In response of enclosing instructions," he said, "the executive is affording the greatest possible assistance during the winter has produced highly gratifying results," the president said.

TONOPAH MIDWAY IS SHOWING ACTIVITY

The Tonopah Midway Consolidated Mining company continues an aggressive campaign of development operations being continued on company property to the 1530 level of the new shaft workings, where prospecting is being performed both north and south. Several veins have been exposed during the progress of development, but very little exploratory work has been performed.

Several sets of haulways are at work through the old shaft, and in some instances are of a fairly good grade being mined. This ore is sent to the various custom mills for treatment, and the usual high saving of values is reported.

Reported by Ramon Blanks at The Bonanza office.

AMUSEMENTS

BERT LYTELL AT THE BUTLER TODAY

"Alas Ladyfingers," which is at the Butler theatre today, presents a new sort of crook play with Bert Lytell as the star. It is an artistic ensemble of love and crime so cunningly interwoven as to make a powerful drama. It is a story of the career of the orphaned child of a family of wealth who by accident is brought to the attention of a notorious safe breaker. Because of the child's delicate hands, he earns the name of "Alas Ladyfingers," and is educated in the art of opening strong boxes. His proficiency gains him a national reputation with the police who, while trying to trap him, learn that the much-wanted safe-cracker is the heir to the fortune of his grandmother. The valuable work of the grandmother became a mere toy for him, who is ignorant of his relationship, and his entrance as a thief into the home where he is being sought as the heir brings about complications which make "Alas Ladyfingers" one of the most powerful dramas of the screen. Also on today's program is a two-act comedy, "Dixie Madcap," featuring the famous Lew Kels, Jane and Kath, who are now playing on the Elgin circuit, and who will be remembered by all movie fans as "The Baby Grands."

MANHATTANITES HAVE HOURS OF HARD WORK

Arthur S. Paine, Manhattan mining man and C. L. Naudin, merchant of the same town, had a trying experience yesterday afternoon in moving from the Pine Tree camp to Tonopah. On the other side of the summit their car became stalled as a result of a high center in the road which had been caused by a heavy truck having passed over shortly before. The two "gold diggers" finally succeeded in freeing the car, and upon their arrival in Tonopah were well nigh exhausted from their strenuous labors.

APPOINTMENT OF CHIEF TO BE MADE FEBRUARY 7

A new chief of police for Tonopah, which includes the office of constable for the township, will be appointed at the regular monthly meeting of the county commissioners, sitting as a town board, which will be held on Tuesday, February 7.

The Bonanza delivered at your door for \$1 a month is the biggest bargain ever offered to the people of Tonopah.

FRIENDLY SUIT TEST VALIDITY LICENSE LAWS

In a friendly suit instituted by Nick Abelman, co-owner of the Tonopah club, which will be heard February 28 in the supreme court at Carson City, the question as to whether the old license board act, as provided under the law of 1915, or the new law of 1919, shall prevail, will finally be solved.

The supreme court has issued an order directing W. J. Douglass, Henry Schmidt, C. F. Wittenberg, as commissioners, and Frank T. Dunn, district attorney, and W. H. Thomas, sheriff, of Nye county, composing the license board under the law of 1915, to appear and show cause why a license should not be issued to Mr. Abelman.

Under the law of 1919 the liquor license board which was composed of the three county commissioners, district attorney and sheriff, is supposed to have passed out of existence, and the contention is now made that the licensing of business in Tonopah, which is not incorporated, rests wholly with the board of county commissioners, whose duty shall be to instruct the chief of police to grant certain licenses for the operation of soft drink parlors. If this contention is upheld by the supreme court, as provided under the prohibition law of the state, then the district attorney and sheriff will be eliminated as members of the license board.

Mr. Abelman paid his license money on January 2, taking receipt for same, and has been permitted to transact business, and the legal proceedings now pending are in a friendly spirit to determine what statute shall govern in the future.

If you like to dance to real music then be present at Eagles' hall Saturday night. Of course "Dutch" Helmick will rap the piano. J27-21

Visit Butler's Soft Drink Parlor. We serve soft drinks, candies, cigars, tobacco, fruit and tomatoes. Located at intersection of Main and Florence avenue, next door to Chlatovich & Beko's old stand. Adv.

MISCELLANEOUS

MR. T. E. JOYCE, owner of the J. D. Mariner Music House, will be in Tonopah next week. Will tune repair, rebuild any make of piano. Anyone desiring special work will do well to leave word at this office or write J. D. Mariner Music House, Box 422, Reno, Nevada.

WANT to hear from owner having farm for sale; give particulars and lowest price. John J. Black, Nevada street, Chippewa Falls, Wisconsin.

WEATHER NOT SO COLD AS MANY BELIEVED

Despite the fact that many were of the opinion that it was unusually cold last night, such was not the case. The rawness was due to the cold wind that prevailed. At 8 p. m. it was 10 degrees above zero, while at 6 o'clock this morning the thermometer registered 10 above at the local U. S. weather bureau, and continued hovering around that point until 8 o'clock, when it commenced to ascend.
